# The first step...

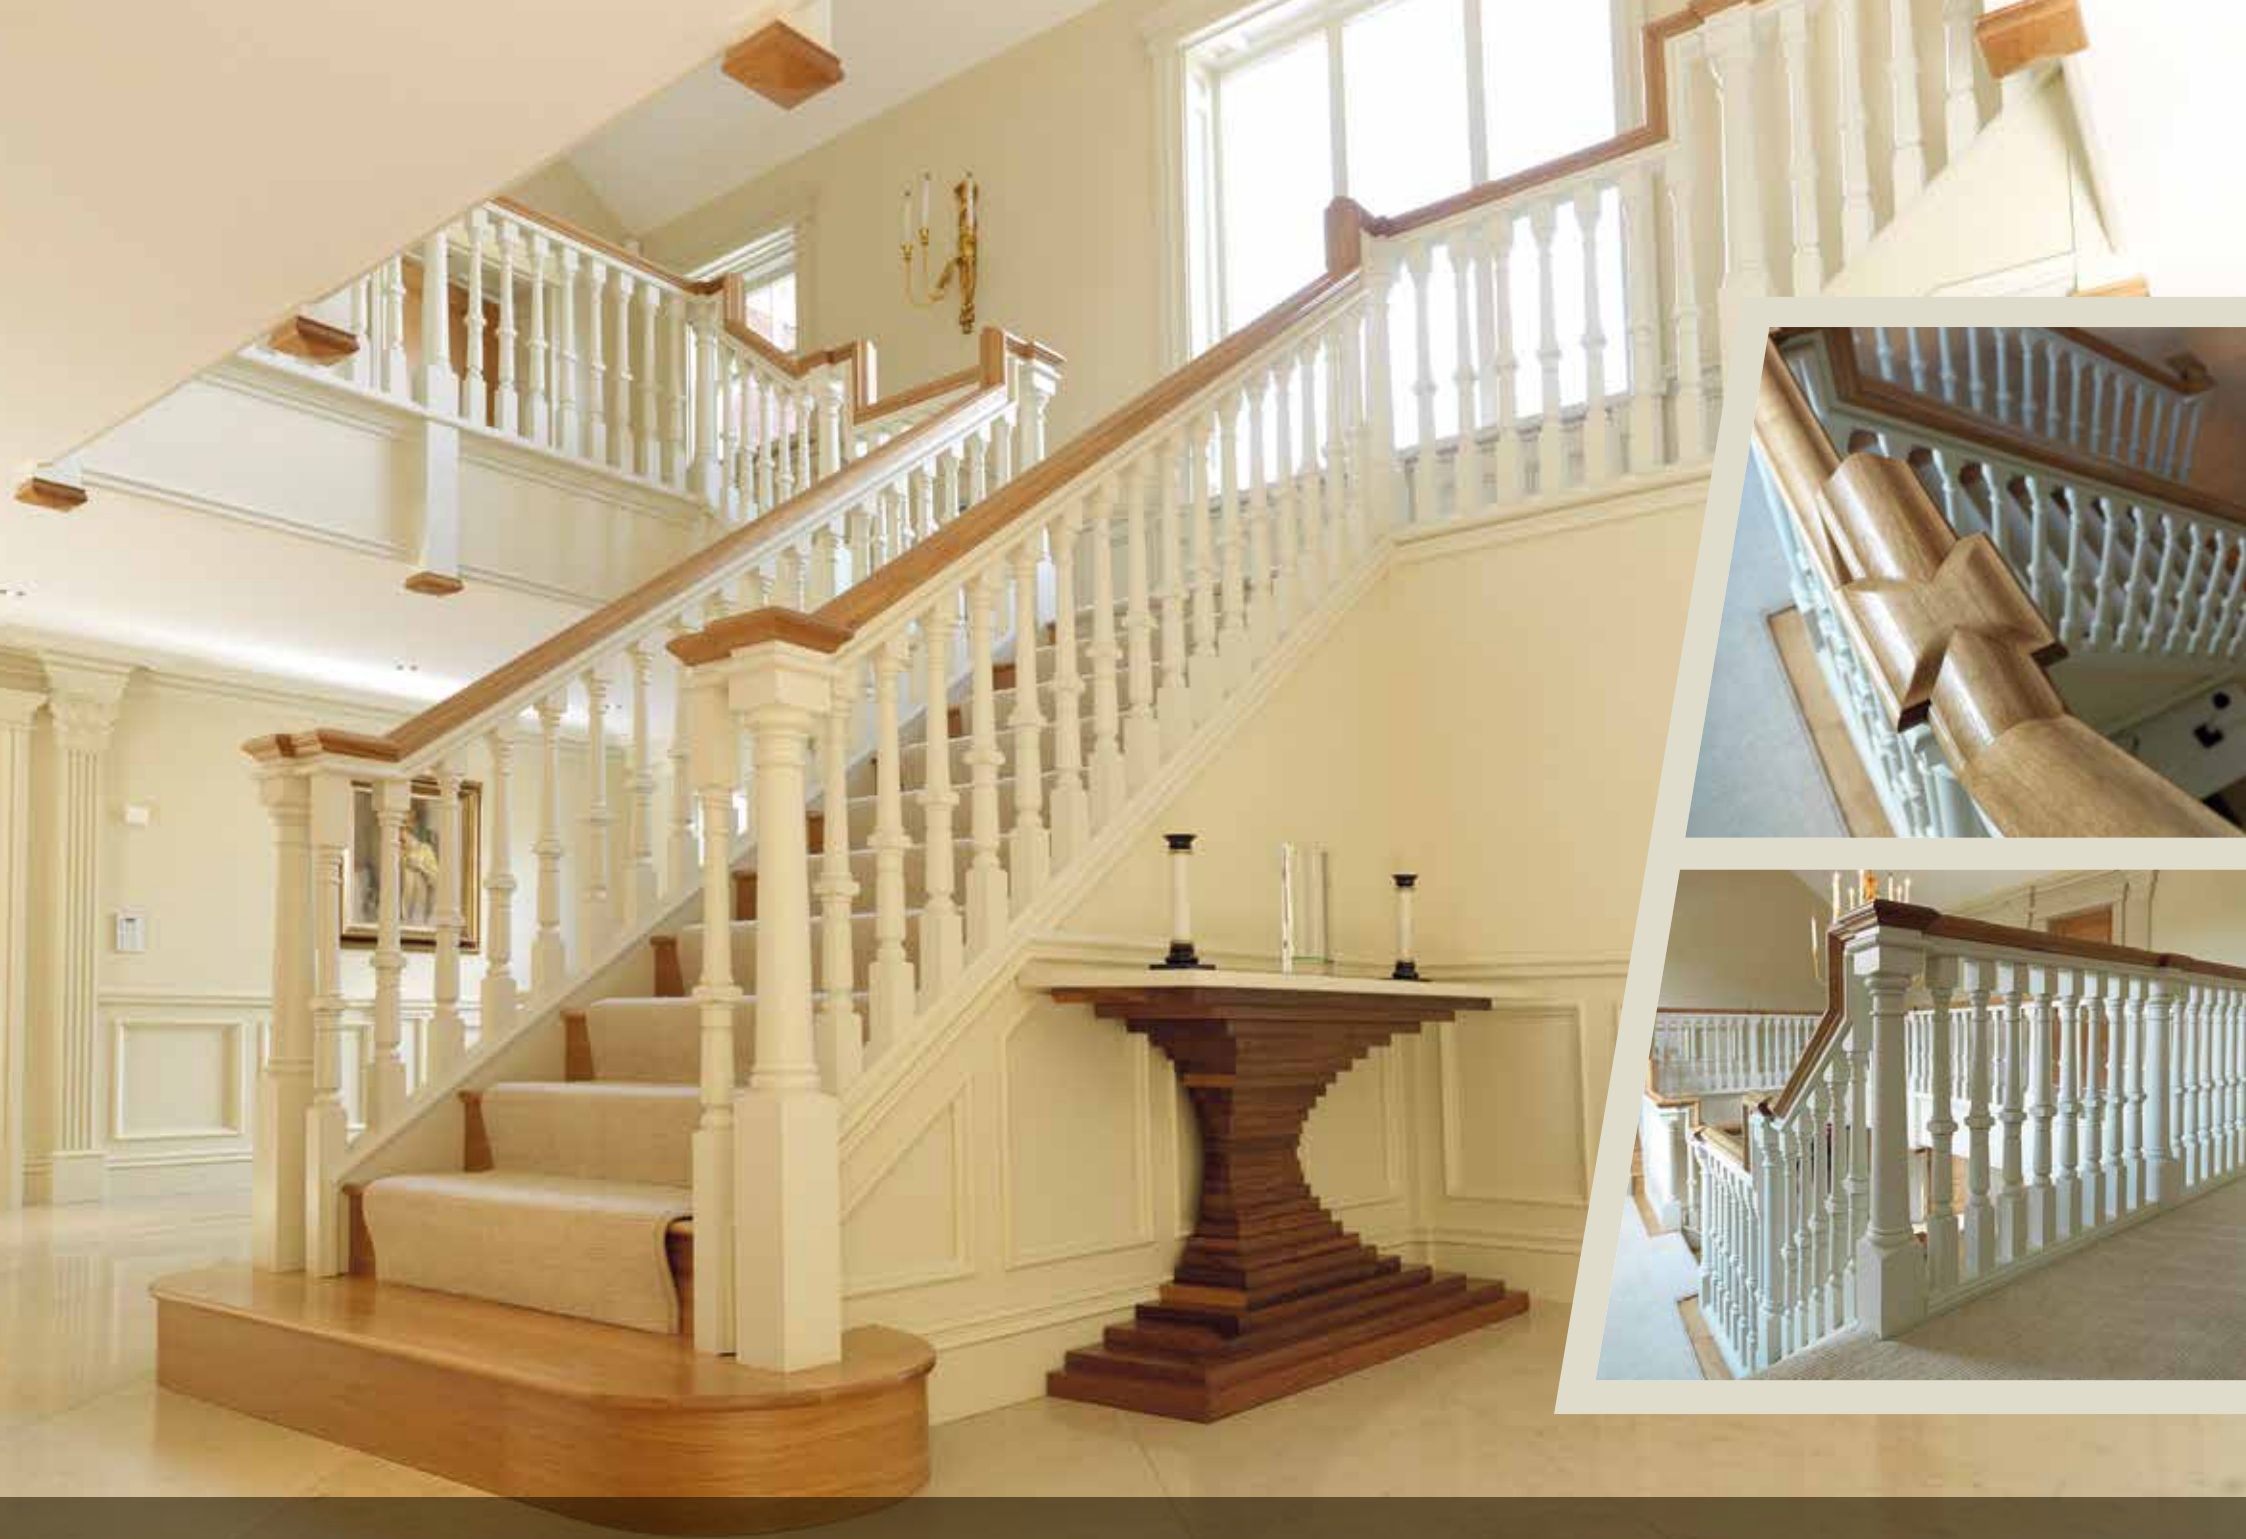

At Theresa Spinks, we have many decades of experience in designing and creating bespoke staircases, tailor-made to our customers' lifestyle, vision and budget.

A family run business, based in the North East of England we take pride in delivering beautiful staircases that transform homes, whether that be a new build or refurbishment of your existing staircase, we have the vision and ideas that will enhance any home.

Our skilled craftsmanship and manufacturing processes puts us at the forefront of quality and design. From the design, supply and installation of beautiful bespoke staircases, we have a wealth of knowledge that can turn your dream staircase into reality, creating designs that inspire.

# The design step...

The design is all about you, your vision and your lifestyle. With over 30 years of experience, we offer expert advice and solutions in creating that perfect look.

With the latest in 3D technology, our designers create your vision, helping you see the finished look, long before the manufacturing process begins. With limitless variations on design, a wide selection of material, we help our customers create a design that is as individual as they are.

From classical handcrafted wood to contemporary with glass or metal, the combination of traditional craftsmanship and the latest techniques ensures our customers are getting the very best in quality.

With our years of expertise and broad range of experience, we have developed many great solutions and ideas for extra storage, lighting and finishes taking our designs to another level.
